

LE • CÔNE SURPRISE

cône surprise /, [kon syʁpʁiz] / *n-m*

sachet ou cône papier imprimé et roulé, contenant un petit jouet, une babiole et des friandises. Vendu ou offert en cadeau, aux enfants qui apprécient son côté imprévu. Il est traditionnellement vendu dans les boulangeries ou confectionné par les parents pour les jeunes invités d'un goûter d'anniversaire.

En Allemagne, une tradition pour les parents (attestée dès 1810) est d'en donner à leurs enfants le premier jour d'école primaire, pour les encourager à abandonner la maternelle.

Dès son ouverture en 2014, Bazartherapy propose sa version de la POCHETTE SURPRISE, tombée en désuétude dans les années 80.

Pour grands, hommes & femmes, et pour les enfants, à l'emporte ou à confectionner sur mesure, Du mini-cône de table au grand cône de notre enfance, à l'unité pour un cadeau original, ou en plus grandes quantités pour un évènement particulier et inoubliable.
