### OUR 3 NEW THEMES

#### AUTHENTIC

A new theme with a distinctive character because of the use of craftsmanship. Authentic will be true master of imperfections with a natural and contemporary look. The use of highlighted brown colors merged with beige tones and dressed in terracotta results in an earthy, warm sophisticated style. Blending quality raw materials with the craftsman's touch will bring a story to every product.

Imagine a modern loft where furniture and decoration is refined with authentic products. A setting of true perfection where you can discover renewed craftsmanship in any corner of the room.

### ESSENTIAL

A pure theme that consists of clean lines. A collection, perfectly at ease, where the design was stripped of everything except from its purest essentials elements. Creating an identity by

eliminating everything except for the barest of luxury. With a light color palette with contrasting trend colors like dark grey, light blue and cream in order to provide a relaxing environment

A collection like a home of tranquility and luxurious comfort.

A warm place where we can cocoon, surrounded with warm and pure materials with minimalistic eye-catchers. Providing relaxation and security to the digital nomads among us.

Choose a nomadic lifestyle and cocoon in our essential collection. The ideal way to disconnect.
