

DÔME DECO®

COSMOPOLITAN LIVING

In October Dôme Deco will attend The Independent Hotel Show in London.

Hoteliers are invited to enter The Lobby, a central networking space at the heart of the show. An oasis of calm and tranquillity, The Lobby serves as an area to work, network and have meetings.

By using warm colours and soft materials, designers Dôme Deco will create a welcoming atmosphere where everyone can work in comfort. Inspired by their new trend theme 'Authentic', the space will consist of highlighted brown colours mixed with beige tones and terracotta elements, resulting in an earthy, warm sophisticated style with a natural and contemporary look.

The Independent Hotel Show London: 15-16 October 2019
