

# The bowl that does it all

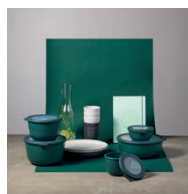

The all round genius Cirqula is the bowl which makes life easier in so many ways. Store your food in the fridge or freezer, heat it up in the microwave and serve, all in the same multi bowl. Do you like taking your own meal along? Then, this is what you need; plus it is leak proof and indestructible. After it has been used, it can go straight into the dishwasher. And the circle is complete!
