Maison&Objet  
See you there**

MOM VILLAGE «The best of Mom» Entrance Hall 5-6

## ITEM BY ITEM

### Beanhome, design furniture

Pieces full of emotion with a colour language, refined lines and versatility in terms of functionality (they grow and change with you). A contrast between visual lightness and its solid construction.

Timeless pieces that bet on combating the impersonality of spaces.

## 100% SPANISH

With special importance to the environment in the selection of wood and manufacturing Made in Spain.
