Vical

Vical offers from its beginnings decorative articles with a strong hand made character.

As time goes by, the company opens to new markets and products giving a response to the high demand, adding furniture collections and a wide range of home products specially focus on the decoration world.

Nowadays we have a **versatile and functional catalogue, full of styles and tones, warmth, elegance and exoticism**, following the heart of professionals of the details and taking good care of our customers, without forgetting the excellent quality of our work.

We offer the best professional answers to satisfy our customer needs in terms of aesthetics and trends functionality, providing to our customers home decorative articles and furniture based in the **innovation, quality and service**, approaching in a reasonable way decoration worldwide trends to an objective public.

Intergift 2019

From September 11 to 15 we are at Intergift fair Madrid 2019, one of the most recognized furniture and decoration fairs in Spain. This edition will be bursting with new trends in furniture and interior design for the **winter 2020 season**.

Our new main collections of lamps, furniture, armchairs, textiles, paintings and antiques are on the way to surprise, and to enchant our professional public, and their clients.

Our two brands **VICALHOME** and **VICALCONCEPT** will be present each one with their own booth, under the brand VICAL.

We will be located in the **pavilion 3, Stand 3E01 – 3E02**.

Vicalhome & Vical Concept

In September 2014, we decided to go for growth and we created a new line, **Vical Concept**, that picks up the most innovating and avant-garde furniture and decoration trends to take them to your home.

VICALHOME stands up for values as the brand, singularity, novelties, price, wide range, and exclusive natural materials that makes each piece unique.

VICALCONCEPT stands up for values as fashion, daring pieces, and very trendy. Our goal is to be a reference in the home decoration and furnishing scope.

Stable Catalogue

All the brand elements can be find in wide and exclusive catalogue where you can discover the creations of Vical Home and Vical Concept lines.
