Spaces

We believe that in order to bring one's creative impulses, relationships, and constantly evolving collaborations to life, one should have a perfect sense of harmony and balance, both in public and private places, in our homes and offices. Therefore, Sculptures Jeux proposes a collection capable of furnishing environments with the widest range of uses: the Ibeta collection, a line of chairs, benches, stools, and tables, designed for professional environments, offices, bars and restaurants.

Spaces are linked to those who inhabit them, becoming "*Jeux Spaces*", in constant

THE IBETTA COLLECTION: A LINE OF CHAIRS, BENCHES, STOOLS, AND TABLES, DESIGNED FOR PROFESSIONAL ENVIRONMENTS, OFFICES, BARS AND RESTAURANTS

transformation: from a network of moving volumes and asymmetries from which our Giralot containers, Twins tables, and Pico coffee table are born. Objects that are not only light but that also have agile lines and slender shapes that play with spaces,

making them evermore versatile and adaptable to your needs, evolving continuously.

Central to the space is the person and their creativity, as exalted by Sculptures Jeux: the aesthetics of shape are thought out and designed with versatility of use in mind. A wide range of material, colours, and finishes means that every object can be customized.

FR

Nous pensons que dans les lieux publics et privés, chez nous et dans nos bureaux, chacun de nous doit se sentir en parfaite harmonie et équilibre pour donner vie à des impulsions créatives, à des relations et à des collaborations toujours nouvelles. Pour cette raison, Sculptures Jeux propose une collection capable d'habiller les environnements d'utilisation les plus divers : il s'agit de la Collection Ibeta, une gamme de chaises, bancs, tabourets et tables conçue pour les environnements professionnels, les bureaux, les bars et les restaurants. Le lieu est lié à ceux qui y vivent et devient « *Espaces Jeux* », en constante transformation : d'un enchevêtrement de volumes en mouvement et d'asymétries naissent les caissons Giralot, les deux tables basses Twins et la table basse Pico. Des objets légers, aux lignes agiles et aux formes élancées, pour jouer avec les espaces et les rendre de plus en plus polyvalents et adaptables à nos besoins, en évolution constante. Au centre de l'espace, la personne et sa créativité, que Sculptures Jeux exalte : l'esthétique des formes est imaginée et conçue pour la polyvalence des utilisations. Chaque objet peut être personnalisé grâce aux différents matériaux, couleurs et finitions.

DE

Wir glauben, dass sich jeder von uns an öffentlichen und privaten Orten, in unseren Wohnungen und Büros in perfekter Harmonie und in völligem Gleichgewicht fühlen sollte, um kreative Impulse und immer neue Beziehungen und Konstellationen der Zusammenarbeit anzuregen. Aus diesem Grund bietet Sculptures Jeux eine Kollektion an, die in der Lage ist, die unterschiedlichsten Einrichtungsumgebungen auszustatten: die Ibeta collection, eine Linie von Stühlen, Bänken, Hockern und Tischen, die eigens für berufliche Umgebungen, Büros, Bars und Restaurants gedacht ist. Der Raum geht eine Verbindung mit denen ein, die ihn bewohnen und wird zu *Jeux Spaces*», in ständiger Wandlung begriffen: aus einer Verbindung von sich bewegenden Volumen und Asymmetrien entspringen die Giralot-Behälter, das Paar kleiner Tische Twins und das Tischchen Pico. Leichte Objekte mit geschmeidigen Linien und schlanken Formen, um mit den Räumen zu spielen und sie in einem ständigen Werden immer vielseitiger und an unsere Bedürfnisse anpassbar zu machen. In der Mitte des Raums stehen der Mensch und seine Kreativität, die Sculptures Jeux zur Geltung bringt: die Ästhetik der Formen ist für Vielseitigkeit bei der Verwendung ausgelegt und bestimmt. Jedes Möbelstück kann dank der unterschiedlichen Materialien, Farben und Finishes individuell gestaltet werden.
