MAISON DEUX

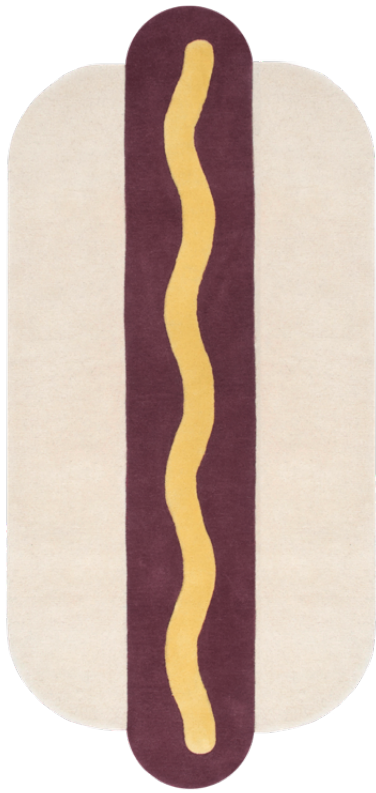

maisondeux.com

Hot Dog Rug

Dutch design studio Maison Deux adds a new rug to its growing collection of statement rugs: the Hot Dog Rug. A minimalist translation of the Hot Dog, simplified into a fun, woolen and textured rug. The combination of different pile heights literally puts the mustard on top. A rug design in which minimalism meets fun. The Hot Dog Rug is hand-tufted and made from 100% pure new wool, carrying the GoodWeave label.

Mustard on Top

Dutch design studio Maison Deux adds a new hand-tufted rug to their growing collection of statement rugs: the Hot Dog Rug.

The Hot Dog rug, designed by Dutch designer Pia Weinberg, is hand -tufted from 100% soft premium wool. Above all the Hot Dog Rug has a multilevel textured pattern using high and low piles and a hand carved finish. You can literally feel the mustard on top. Yum!

The super-soft Hot Dog Rug is the perfect modern rug for those who want to add some personality to their kids' room or even their own living. Made in soft tones this top-notch design will stand out in any room.

Sustainable & Social Mission

To enhance their ambition for a more sustainable and social future, all rugs are now certified individually with the GoodWeave label. The best assurance that no child labor, forced labor or bonded labor is used in the production cycle. Besides, with every purchase you support programs that educate children.

Availability

The Hot Dog Rug is now available for pre-order at maisondeux.com and will be available in selected stores across the world.

About Maison Deux

Maison Deux is a Dutch design studio for kids. Founded to design fun, minimalist products for contemporary homes. All products are crafted from high-quality materials that last for generations. Simple and iconic products with a playful twist.

The Maison Deux collection is available at various partners around the world, such as Le Bon Marche (Paris), 10 Corso Como (Milan), Lane Crawford (Hong Kong) and The Tot (USA).

About Pia Weinberg

After graduating from the Hallo Academy for applied creativity (2010), Pia developed herself as an autodidact designer. Her work is shaped by two values: minimalism and fun. Work that manifests itself into simple, pure designs with a playful twist.

In 2015 she started the process of product design in her Amsterdam based studio, which resulted in the first line of kids focused products in 2016: the Iconic Rockers. A modern twist on a classic toy. In 2018 the Iconic Cloud rocker received the Platinum A'Design Award.
