THROWS & CUSHIONS

Flax is possibly the oldest natural fibre to dress humans. Perhaps this explains why the touch of linen is so pleasant and familiar.

The new collection of linen throws and cushions from Teixidors; D'Abord, Abans and Sempre are not only play on words, meaning First, Before and Always in Catalan, they are also inspired by the inherent textures of the woven basket, also made by hand and present across cultures and countries.

This spring Teixidors pays a small tribute to a trade in which the fabrics and objects invariably present in our lives, are created.

The new spring/summer 2019 collection presents a sophisticated, elegant, sober and essential side of an exceptional quality European linen.

A project with the singularity as philosophy

TEIXIDORS

Teixidors is a Barcelona based brand with a social vocation aimed at achieving economic independence and social inclusion of people with intellectual disabilities. This objective has laid the foundation for over 30 years of award-winning design, created on manual looms in our own workshop in Terrassa (Barcelona). Teixidors sources the highest quality raw materials, like cashmere and Yak wool from a cooperative in Mongolia, and ecological Merino wool from a small farm in Provence. Today Teixidors' exquisite plaids, bedspreads, pillows and scarves can be found in some of the most prestigious stores in the world.

Teixidors is part of the non-profit organization, Fundació Privada President Amat Roumens (FUPAR) based in Terrassa, Barcelona.
