

LALIQUE
VOYAGE DE PARFUMEUR

Épines

A SCENTED JOURNEY
INTO THE GARDEN
OF TEMPTATION

CONCEPT & DESIGN

FOR THIS EXCEPTIONAL EDITION, LALIQUE DRAWS ITS MOTIF FROM ONE OF ITS FOUNDER'S MYTHICAL CREATIONS:

“Épines”

A COLLECTION OF BATHROOM ACCESSORIES CONCEIVED IN 1920 BY RENÉ LALIQUE. IT IS ADORNED WITH A DELICATELY INTERLACED DESIGN OF BRAMBLES, RASPBERRIES AND BLACKBERRIES, REPRISÉ BY THE ARTIST ON A SUMPTUOUS VASE IN 1921. THE EXQUISITE VESSEL OF THE ÉPINES CANDLE TRACES THE STYLIZED CURVES OF A BLACKBERRY BUSH, ENHANCED BY POLISHED CRYSTAL, AGAINST A BACKGROUND OF SATIN CRYSTAL. THE VASE HOLDS A DELECTABLE SCENT OF PURPLE BERRIES AND PRECIOUS WOODS, COMPOSED BY THE GRASSE-BASED HOUSE OF ROBERTET IN A WAX OF THE HIGHEST QUALITY, THE GUARANTEE OF AN EXHILARATING OLFACTORY ODYSSEY.

THE OLFACTIVE COMPOSITION

THE DEEP RED WAX OF THE ÉPINES CANDLE EXUDES THE VIBRANTLY NATURAL SCENT OF A LUSH GARDEN, REFLECTING THE MOTIF OF THE VESSEL. ITS GOURMAND CONTRAST OF PURPLE AND GREENERY IS SET OFF BY A REFINED BACKDROP, A SUBTLE ACCORD OF WOOD ESSENCES AND LEATHER. AS THOUGH YOU WERE FEASTING ON HANDFULS OF BERRIES PICKED STRAIGHT OFF THE BUSH, ON AN AROMATIC BED OF FRESH LEAVES AND ROSE PETALS, IN THE INTIMACY OF A WARM, VELVET-DRAPED ROOM... A DEEP, SUCCULENT SILLAGE COMPOSED BY LESLIE GIRARD, FOR A SCENTED JOURNEY INTO THE GARDEN OF TEMPTATIONS.

TOP NOTES
BLACKCURRANT
CRINKLED LEAVES

HEART NOTES
ROSE ABSOLUTE
GAÏAC WOOD

BASE NOTES
CASHMERE WOOD
PATCHOULI

CRYSTAL VASE CANDLE ÉPINES

FRAGRANCE:
WOODY, FRUITY

WEIGHT OF WAX:
750 GR / 26.5 Oz.

BURNING TIME:
MIN. 80 HOURS

RECOMMENDED RETAIL
