LOOKBOOK

CRE ATE

Spring/summer 2020 is season of creativity with an artistic approach to shape and styling.

The materials for pots and vases are for example glass, wicker and ceramic, and the colors draw upon nature's green and blue nuances. Artistic elements are seen in the shapes which take on faces or abstract figures.

In other words, with the Lauvring collection of SS20 you can create a both creative and stylish look. Use the lookbook as your guide to inspiration and styling of the season.
