### **The Grandma 's Garden\_Plates&Wallcoverings**

This design is part of the Grandama's Garden series depicting a sophisticated and elegant ornamental pattern of flowers and buds. The delicate colours blend together for a fresh, contemporary look reminiscent of the beautiful Italian gardens. The design was developed as a wall covering in tnt and as a set of porcelain plates too. Made in Italy.

### **Teste di Moro\_Plates**

Teste di Moro series feature a delicate and detailed design in soft warm gray tones.

Inspired by the ancient tradition of Sicilian Moor's Heads, they are reinterpreted here in a sophisticated and contemporary manner. Due to the use of manual techniques, each item will vary slightly. Realized in porcelain. Made in Italy.

### **Pleats !\_Wallcovering**

With its beautiful peach Tnt base, the pleated wall covering presents an original and unique coloring technique that brings out the texture of the surface in rich tones creating a chiaroscuro effect that seems to move the wall with a pleated pattern.

Available for contracts on request. The price is calculated per square meter. Made in Italy.
