Description

Cannonball light pendant is the perfect explosion of luxury. Inspired by the boldness of a cannonball, this pendant lamp came to reinvent what mid-century modern design is. With its unique shape, this exquisite lamp is handmade in brass and features a gold-plated finish, proof of some of the most high-quality craftsmanship in the lighting design world. Cannonball is a modern brass pendant lamp which will give an elegant and sophisticated touch to your mid-century modern living room.
