

# Stay on top with these Decoration Trends for 2020

Trends come and go. Some are timeless and never out of fashion; others are more related to an era. In this article, we show the *decoration trends for 2020* which, according to our research, will be the most popular next year. Earth and nude shades, nature inspired products, yellow and white are some of the essentials to have in mind when talking about home decor for the coming year.

## Nature Inspired Products

Products inspired in nature are more attractive, unique, lean and well thought, either it is an aesthetics or functional inspiration. **BRABBU** inspires itself in Nature and allows consumers to enjoy textures, colours, smells and styles that transport them to other locations and destinations.

In this living room set with a mid-century style, SEQUOIA center table is the star. Sequoia is one of the largest and tallest trees in the world that grows in California. Just like that, SEQUOIA Center Table is a force of Nature. The distinct walnut root veneer top shows the passage of years and the base in brass with aged patina adds a refined touch. This coffee table proves the beauty of the action of time.

## Earth and Nude Shades

Terracotta, ocher and nude are the colours that frame the 2020 colour palette. The colours in an earth tone scheme are mute and flat in an emulation of the natural colours found in dirt, moss, trees and rocks.

This living room is decorated with neutral tones used in different products. Another way to use this colour palette is through wallpaper – an out of the box idea to have in your home decorations. [ESSEX](#) armchair by BRABBU is inspired in the metamorphosis – the transformation process from caterpillar to butterfly. This barrel chair is upholstered in velvet and has a base in aged brass matte that adds charisma. It will add a refined elegance to any living room set that only velvet chairs are capable of.

## Yellow Shades

From the most vibrant yellow, lemon to mustard, all shades of this colour will be fashionable in decorating by 2020.

The final touch to your living room decor is the NANOOK dining chair. Nanook is the master of bears, the one who decides the luck of the hunters in the Arctic regions.

NANOOK Dining Chair blends the beauty and grandiosity of this animal. This dining room chair has a strong presence balanced with the elegance given by a golden nailhead trim and the button detailing on the inner back. Dare yourself and get the perfect decoration by using yellow tones.

## African Inspired Design

Africa is an exotic place, which excites and stays on your mind forever, once you see it. If you love this part of the world but can't go there, you can always bring this flavor to your home creating African-inspired interiors. For the next year we will be seeing a lot of this inspirational designs.

For any living room, dining room or bedroom, BRABBU presents you [HIMBA](#) rug. Himba is a southern Angola tribe, who lives in a land isolated by deserts and mountains and dresses in strictly traditional ways.

Himba is famous for their beautiful women painted with ochre and long tresses wrapped in red clay. They have an extreme capacity to survive in hard conditions, a remarkable feature from where HIMBA is born: a strong, powerful, red coloured rug made from hand-knotted thin wool, taking to your home the warm sensations of Africa.
