

## LOOP SERIES

THE CHARM OF WEAVING, THE BEAUTY OF CONTINUOUS LINES

**Loop Armchair**

**TYPE:** Chair

**SIZE:** W58.5\*D60.5\*H83cm

**MATERIAL:** Aluminum, Outdoor Rope

Loop series is designed to express the sense of continuous lines. The chair is made of aluminum structure and an entire rope woven by hand. In order to show the continuity and quality, the frame of the backrest and seat is divided into 4 parts according to proportion for hand-woven, which can not only guarantee the elastic sitting feeling, but also enhance the service life of the chair. In addition, the special rope developed by KUDESIGN ROPE system and it looks similar as the natural rattan, but it has high strength, excellent flexibility and abrasion resistance, so it is easy to clean and maintain by using a soft brush to wipe gently to refresh.
