

NATIVE UNION

PRESS RELEASE

NATIVE UNION AT MAISON & OBJET PARIS, JANUARY 2020
Smart Gift, Hall 1, Stand G18/ H17

FOR IMMEDIATE RELEASE

DECEMBER 12, 2019 – PARIS – Lifestyle brand of premium tech accessories [Native Union](#) returns to Maison & Objet for another year, showcasing their latest products and upcoming releases at the Smart Gift Hall.

Visitors to the show can explore a curated selection of Native Union's latest products including the new case collection for AirPods and AirPods Pro and the iPhone 11 lineup.

Launching a completely new category of protection, the AirPods case range includes protective cases in genuine leather and textured silicone that provide a seamless fit for you AirPods and AirPods Pro. All cases are compatible with wireless chargers and ensure hassle-free access to all ports and controls, adding style and statement to your AirPods while never compromising function.

Also on display will be the new Clic Case collection for the iPhone 11 range. Featuring fan-favorites upgraded with a new construction as well as completely new designs, the new case collection highlights our focus on premium materials and attention to detail. The latest addition to the collection, Clic View, is a textured transparent case with a minimalist form to enhance the design of your iPhone. The ribbed slash texture adds unique character and feel while the slim and lightweight construction provides protection.
