

MARCO TADINI

M I L A N O

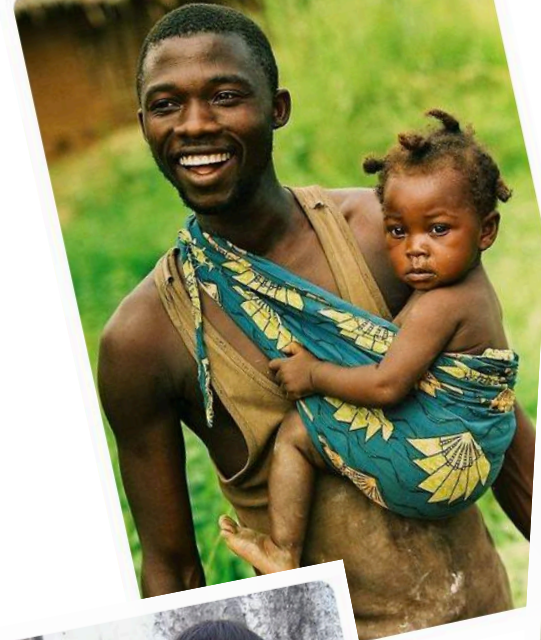

Marco Tadini has been making bags and leather goods forever: it's vital.

In his workshop in Milan, Italy, in tandem with Simona Ventura, they create, draw, try, start again ... again and again. Innovation is their obsession, as much for construction as for materials.

MARCO TADINI invites you today to marry a new bag: a unique shape and an incredibly soft and smooth leather that makes it the lightest and most ergonomic bag in the world!

This MARCO TADINI bag is inspired by the best way to wear the most precious Good you have in life... while keeping a smile!

With its 60 color combinations made with 9 colors of straps and 17 colors of leather, the MARCO TADINI bag design Nanni Strada is cool, timeless, ergonomic, foldable to come with you everywhere, and 100% Made in Italy.
