PARIS

1930 Constantin Samard inherits his passion for leather from a family in which three generations dedicated themselves to saddlery and horse equipment.

1987 Stephan Arnal, the grandson of Constantin Samard, takes over the family business with passion and creativity.

Today, RECIFE accompanies modern men and women on the move. Designed in Paris with a unique French touch and elegance, our collections express joy of life, innovation, creativity and traditional craftsmanship.

A joyful piece of Paris

*for the flamboyant traveler since 1930*

# PET TECH

---

RECIFE reveals the natural charm of leather with its range of PET TECH accessories. Leather is soft, carnal, timeless. It adapts wonderfully to modern ways of traveling and living.

RECIFE offers a wide range of colors, sizes and shapes that will win over and satisfy the flamboyant dogs and cats.
