l'Art dans la matière

« *Cabinetmaker, sculptor trained in Fine Arts, then artistic director, the Archikonsol brand sums up pretty well my professional career, we can say that it is the synthesis: passion for furniture, love for materials, History of Art.* »

Frédéric Lyphoudt
Archikonsol creator

Bringing into the intimacy of a space
on a daily basis for a season,
for a year, forever... works
original pictorials, through
of the very architecture of the furniture.

Konsol with a modernist inspired design,
minimalist, a play of shadows and lights; recompose,
to reinvent a little story... in the big one.

Non-contractual photos.

« It's not about the object,
but the man. »

REMOVABLE
PANELS

Steel Konsol

The originality of **Konsol** lies in its removable bottom, we can change the chosen theme according to your desires and in a very simple way by means of a system of sliders on the back of the cabinet.

Dimensions:
Its format out of the ordinary,
Three meters by 90 cm,
the destiny of large volumes.
