NEW PRODUCTS

Takamatsu, Japan, 1 January 2020, We would like to introduce our brand new items of “ zero collections ” prepared for Maison & Objet in this month.

The items are made of extremely thin, yet strong fabric used for industrial gloves. This year, we produce 36 new designs. Pouches, Pochette, and Bags, all of them can be packed and send in a flat packet.

The bags have a single string. The fabric is so durable that can be hung in a strap.

The brand-new designs are all foldable shape. Easy to stock, sell, and use.

Catalogues and photos can be downloaded here.

We will be waiting for all of you at **Hall 1 - Stand J38** (Smart Gift) .

Yours faithfully,
Katsuyuki Hashimoto / WINCESS CORPORATION
