Tired of dreary old Winter? Don't despair! Next year's M&O is just around the corner – from the 17th to the 21st of January – and we will be there. And we're bringing plenty of surprises that are sure to bring a little of that summertime joy to all! Look for us at Hall 5A C56 D55, we'll be delighted to have you with us.

In addition to old favourites, we will unveil our brand-new collections.

Castelbel Ambiente Coconut

Is there a warmer scent than that of Coconut? We don't think so! So we decided to craft a new home & body collection that would warm up the hearts and spirits of all with the alluring perfume of Coconut! From much-loved classic products like fragrance diffusers now with this wonderful aroma to new additions, like Coconut-scented shampoo and conditioner bars, Castelbel Ambiente Coconut brings the fragrance of a tropical summer to your home and your skin.

Castelbel Smoothies

A range that combines traditional Portuguese tiles and colourful images of fruits and flowers with a deeply nourishing body care and scents to match. A pampering spa experience, wherever you may be. Available in: Exotic Coconut Mango, citrusy Orange Verbena and fresh Poppy Lemongrass.

The Smoothies collection is comprised of:

- Massage Soap Bars, to soften your skin and wash away the stress;
- Body Scrubs, to buff your skin and bring out its best;
- Body Butters, to deeply moisturise your skin and make it shine.

Castelbel The Gentleman's Club

Our Gentleman's Club Luxury Soap Bar, the modern gentleman's perfect companion, now has a new body care range with three new fragrances: classic Spearmint and Moss (brown), exotic and citrusy Agarwood and Bergamot (green), stark fresh Sea Salt and Grapefruit (blue) and wood-scented Patchouli and Sandalwood. Because no two gentlemen are alike.

The Gentleman's Club collection is composed of Soap Bar, Eau de Toilette and Hand&Body Wash.
