2020

Iwata Co., Ltd. will exhibit at the Maison & Objet Paris 2020 in January for the fourth time. At the exhibition, we will introduce our new products such as the flower vase, Flusso, and the interior board, Curva.

We are also very honored to announce that our products have been selected for all of the What's New areas, where this year's trending items are selected and displayed, and where the installation is conducted by Mr. François Bernard(Hall 2), Ms. Elizabeth Le-riche(Hall 3), and Mr. François Delclaux(Hall 4).

As an aesthetic woodware brand that carefully sources ideal materials and applies optimum finishes to draw out the value and enhance the true beauty of the wood, we will deliver essential and minimal designs that harmonize in any kind of interior scenes. Please come to see the world of interiors which pursues the beauty of wood.
