Beauty of minimalist aesthetic! Gudee brings new collection to MAISON&OBJET 2020

Lifestyle brand Gudee bring its original design products to M&O Paris show, 17-21 January 2020. Gudee continuously enhances the craftsmanship of bamboo and level up its possibility in curved shape and aesthetic pleasure. Abstract concept and modern style illustrate the simple and flowing shape of home accessories. Welcome to visit Hall 4 D17.

Gudee displays new collection of tabletop storages. From home office, bedroom to hallway, you can surely find these goodies very useful. Bamboo made JULI jewelry box is elegant and lightweight. Double-layer box provides efficient way to store small trinkets. FLIP bookends add some style and extra support to your tabletop and bookcase. Simple flip structure turns this flat piece into a sturdy and modern item. This design piece will show your unique taste.

UROKI series has expended from laundry hamper to commuter bag, cooler tote and toiletry bag. You can enjoy its functional with natural style from the balance of bamboo and greyscale fabric. Gudee has also launched an upgraded version of classic X-frame BUTTERFLY hamper. Now has 3 colors of bags for easy carry.
