SOPHIA THINKING **BAUHAUS**

The most influential school of design in history, the Bauhaus, created a light that changed the world around it. Even after 100 years its ethos and output is still here.

SOPHIA Enjoy Thinking inspired by the power of this movement and to honor it, created with respect a LIMITED EDITION capsule collection called SOPHIA THINKING **BAUHAUS**.

SOPHIA ENJOY THINKING

SOPHIA (Greek for wisdom) - **Enjoy Thinking** is a brand, which strives to evoke the Greek cultural heritage all over the world through modern design, ethical trade and collaborative processes.

SOPHIA- Enjoy Thinking shares the traditions, the beauty, the craftsmanship, the art, the passion, the knowledge and the thoughts of Greek civilization. Our motto "Enjoy Thinking", encapsulates our design philosophy, which is to create unique, thought-provoking, handmade home design objects, tableware and stationery items.

Alexandra, Greek designer, founded SOPHIA Enjoy Thinking, based on the concepts of beauty, health, endurance, strength, victory and wisdom, deeply engraved in ancient Greek heritage that have remained eternal and authentic.
