ALUMINOR
L U M I N A I R E S

BY CHOOSING AN ALUMINOR PRODUCT, YOU CHOOSE THE FRENCH QUALITY AND «SAVOIR-FAIRE»

The 2020 collection has **36 new products**, including all types of indoor luminaires : table lamps, floor lamps, wall lamps, pendants... As the luminaire is one of the **main element** of decoration and comfort, the ALUMINOR brand combines **design, products quality and great lighting comfort**. The creation of those new products was guided by a strong will to provide people well-being, user comfort and viewing pleasure.

Very attached to the **quality** of the luminaire that it designs, manufacture and commercialize, ALUMINOR is very careful to the materials used : mainly metal and real wood. The paintings and polish ensure an **excellent** durability over time. The lighting systems are robust and efficient. A particular care is given during the assembly of the different components in order to guarantee a **neat finish** and a **very high product quality**.

The ALUMINOR luminaire also integrates many **technological and environmental innovations** as the use of recycled materials, induction charger, the presence of USB port and WI-FI connection.

ALUMINOR is very proud to bring a **5-year** extended guarantee (under normal condition of use) and a **10-year** reparability warrantee for all the products made in France.

About **ALUMINOR** LUMINAIRES

Created in 1950, **ALUMINOR** is located in Contes, 06, FRANCE (manufacture and office).

The society was acquired in 2018 by 2 associates: Richard BARBETT and Vincent OVERNEY.

ALUMINOR is specialized in design, manufacture and commercialization of interior luminaires, for work as well as for decoration. **ALUMINOR** proposes all types of luminaires : table lamps, floor lamps, wall lamps and pendants.

Thanks to a production tool based in France and to a "savoir-faire", the company develops its own products and also creates special luminaires for its customers.

Retail outlets : Galerie Lafayette, BHV, Laurie, Keria, La Redoute, 4 Murs, Lyreco, Light online.fr...

You can find all the luminaires proposed by **ALUMINOR** at :
