

Collaboration Kasane with Manuela Paul-Cavallier  
~ Japanese traditional material meets European gilding art ~

**MANUELA PAUL-CAVALLIER**

**Artist, gilded patinas creator**

**KASANE Produced by HIWADAYA**

**Japanese roofing, 180-year-old company**

KASANE is a special wall decoration inspired by Japanese traditional roofing technique. Sustainable materials used in Japan over more than 1000 years.

Manuela Paul-Cavallier is an established artist in Paris whose work is shown in galleries throughout the world. She laid her gold leaves and proposed all types of patinas, the rendering is alchemy, a transformation of noble elements into refined surfaces to enchant your eyes and heart.
