

STORE YOUR MOST TREASURED ITEMS IN THE TREASURES™ CABINET

Introducing Treasures™, a new customisable cabinet from UMAGE. Treasures™ is made from veneered oak wood and the curved sides of the cabinet have a customisable covering that gives Treasures™ a soft tactile touch.

The customisable sides of the cabinet open as wings, that elegantly stores your fine liqueur or books. The storage compartments in the centre of the cabinet, each has one shelf, making it the perfect storage solution for your ceramics and porcelain.

“Why should cabinets just be a traditional square box? Treasures™ challenges the traditions by adding an unconventional element to the design, softening the design by adding customisable wings made from either venetian cane, fabric or leather. I’ve added a unique tactility that confronts the classical cabinet blueprint” – Jonas Søndergaard, inhouse designer at UMAGE

Available in two sizes of 2- and 3-doors, in both natural and dark oak. The sides of the cabinet can be customised with venetian cane, textile or leather, making the stylish appearance flexible to match your personal style.

At UMAGE, we care about everyone we influence. We make functional and timeless designs that last, we optimise storage and transportation costs with flat-packed designs, to make luxury accessible to you. The aim is to save the environment so that you can save on living.
