Loren Armchair

Inspired by the mid-century retro designs, Loren is simple but with a sophisticated appearance.

Bogarde Armchair

Being a matinee idol, Bogarde soon became a giant in the high-rank intellectual cinema. That's the reason for this inspiring accent armchair. It is finished in leather, a very popular fabric in the 60's.

Mansfield Sofa

Mansfield is an accent sleek sofa with an undeniable modern elegance. Its rounded forms are a striking addition to any living room.

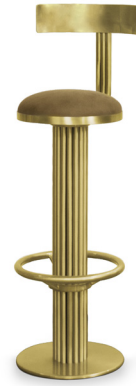

Gable Sofa

Gable is an extremely comfortable mid-century modern sofa with a contemporary finish that allows decor melange.

Gable Dining Chair

Gable dining chair is part of a larger design collection for the living room. It features a round polished brass swivel base that contrasts with the dreamy cotton velvet.

Kelly Bar Stool

Kelly is a bar stool inspired in the curved and sculpted arches from the bar in the classic movie Casablanca. Besides being stylish, it is made to endure and be comfortable at the same time.

Reeves Chair

Reeves is an accent chair that could easily be considered a piece of futuristic furniture, due to its edgy and stylish design.

Ellen Dining Chair

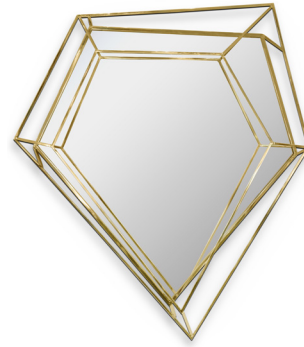

Ellen is a fanciful dining chair full of luxurious features.

Also take a moment to brighten up your hollyday season with golden details

Ivete Lamp

Ivete is a floor lamp shaped as a palm tree, produced in a square carrara marble base and gold plated brass. Its design makes this lighting fixture the perfect decorative piece for an exotic environment, which can be used as a palm tree table lamp as well. Make your home decor groovy and stylish.

Diamond Small Mirror

Inspired by asymmetrical and dazzling shapes of a Diamond rock, this five-sided polygon mirror is the ultimate combination of geometry and design. The use of a polished brass structure enhances the luxurious element within this object resulting in a sophisticated dynamic piece that stands out in any ambiance.
