

Maison & Objet Paris September 2020

Normally we go twice a year to **Maison & Objet in Paris**, to show our newest collection. Sadly due to the COVID-19 it is not possible to attend in September 2020.

But even though the fair has been canceled, we are happy that we can still share our passion with you!

And ofcourse we would like to welcome you to our **showroom in Nijmegen**, or on our **webshop** www.dmw.nu.

Since this year we can also show you some of our taxidermy products online on the [MOM platform](#) of Masion & Objet.

We are an **official award-winning taxidermy company**. From our atelier we are able to handle your taxidermy and interior needs to high professional standards. We work with 5 qualified taxidermists an 1 entomologist.

We offer **taxidermy**, science, natural history items and other **interior decoration**, for example mounted mammals, birds, exotic butterflies, insects, fossils, minerals, decorative shells, skulls, skeletons and other curiosities.

Please, [register](#) on our B2B website in order to gain access to the B2B prices. We will activate your account as soon as possible.

Hopefully, we can welcome you in January 2021 again in Paris!

Kind regards,

Lara Lem & Nicolette Naphausen
