NOVELTIES 2020

WWW.ETHNICRAFT.COM

*We create the foundations
of your home, to inspire
the stories of your life.*

A new decade has just begun. Plenty of good times and beautiful memories lie ahead. We would love to be a part of those, which is exactly why we create the solid furniture and cosy accessories that we do. We strive to make every piece timeless, functional and comfortable.

The same goes for our first novelties of the decade. At home, at work, in a lounge bar or restaurant: these characteristic designs by Ethnecraft will complement and elevate your interior. Ready to make some memories with us?

HAND CARVED CHARACTER

The Grooves cupboards and sideboards are soulful to say the least. Every single line you see is hand carved, making each piece truly unique. Small imperfections are part of the story, even more so: they enhance Grooves' character. The result is a slightly different surface every time, each with its own rhythm and dynamics. The beautiful dark tinted teak continues on the inside, where shelves and drawers will hold your most cherished objects.

THE MAGIC OF THREE

The Trifecta coffee tables, designed by Dawn Sweitzer, are the mid-century modern coffee tables of your dreams. Made of black glass and finished with a brass rim, they ooze pure class. Stunning when put together, equally impressive when apart.

*The Profile meeting table will literally
lift your meetings to a whole new level.*

N701 SOFA - GEOMETRIC SIDE TABLE

GEOMETRIC SIDE TABLE

A DIALOGUE BETWEEN SHAPES

One shape, a thousand possibilities. When Alain van Havre was creating these new side tables, starting with the Geometric, he was simply playing around with different shapes. That is often when the most interesting things happen. The result: five new sculptural side tables that represent his love for movement. Through the use of negative spaces, a constant dynamic comes to life, making them look like different sculptures from every angle.

COVE SIDE TABLE

By consciously choosing natural fibers, we stay true to our values: design pieces full of character, made from quality materials that age beautifully

RIFENED LAYERS CUSHIONS

GATE MIRROR

An elegant aged mirror that doubles as art, provides the perfect finishing touch to tie any room together. Hang our pieces on their own or display a number of them in your space to make a bold statement.
