## ZEST FOR LIFE

*While getting away this summer may no longer be on the cards for many of us, Dutch homeware brand &klevering's latest collection is sure to bring a happy holiday mood directly to your tabletop, via a riot of colour, clashing pattern and kitsch design. Mix and match the painterly ceramics and exotic glass accessories for a joyful, fiesta feel. Pieces shown, from approx £22 ([madeindesign.co.uk](http://madeindesign.co.uk)).*
