

EBB & FLOW enters the world of bathroom lighting

The new Horizon ceiling/wall lamp combines simple styling with superb functionality. Its dual purpose of being both a ceiling lamp and a wall lamp makes it perfect for bathroom interior projects, it's decorative and simply a statement lamp. With its recent IP44 certification, the Horizon will add colour and beauty to many styles of bathroom.

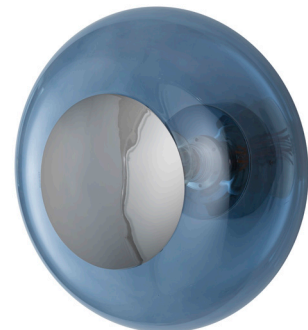

The Horizon series is made using mouth-blown glass. Available in three sizes and numerous beautiful and timeless colours. Suiting cool Nordic as well as bright and dramatic spaces, the design is ideal for lighting solutions in any bathroom.

Horizon Ø21 Bright Coral

Horizon Ø29 Clear

Horizon Ø36 Deep blue
