

EBB & FLOW launches new fabric shades

Spring calls for colours and nature. Launching their new line of fabric shades Danish lighting brand EBB & FLOW introduces natural materials as a home luxury. The fabric shades become the new aesthetics in the room as they present themselves as floating pieces of fabulous beauty.

In the series you find patterns of heaven and earth, blooms and birds, leaves and palms. Each bringing a harmonious feeling to the home and making light an experience. The lamp shades are available in four sizes and can be used as pendants, wall lamps or with our tablelamps.
