

4 OUTDOOR RUGS FOR THE SUMMER TIME

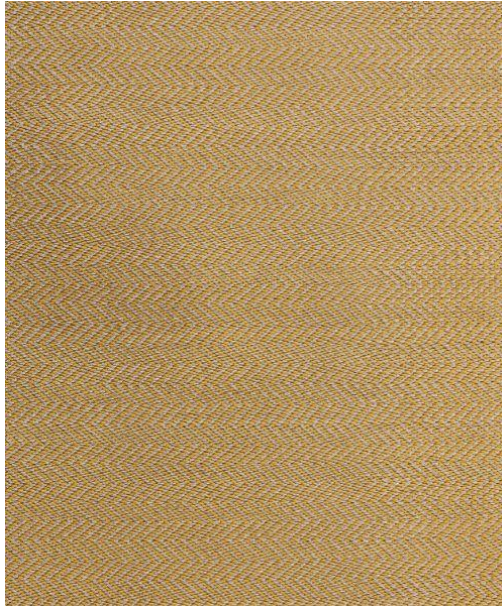

Adding an outdoor rug is the perfect way to turn the exterior of your home into an area of beauty and tranquility. Ferreira de Sá offers rugs that can be placed both inside and outside, produced through the Hand-Woven technique. Made from durable polypropylene ropes, these rugs are extremely durable and resistant to both rain and sunlight.

Special Summer Selection

Now that the daylight becomes more present in your spaces, making it important to combine bright and color. Following the season it is essential to change the decor from dark and heavy to something cheerful and colorful. In this sense we select four outdoor rugs that can add happiness to this season.
