Inspirations by Interior Design Studios

Oporski Architektura

Minimal Bedroom Inspirations by Oporski Architektura These two ambiances by Oporski Architektura are the perfect example of minimalist interior design. Also, between many of the firm's homes, this is yet another room perfectly designed in minimalist interior design. As well as the color scheme varies between white and soft grey. Moreover, the room has no clutter, only essentials such as the bed and curtains.

Assembly Studios

Assembly Studios designed this minimalistic bedroom with more color and natural light. Thus, the color scheme mixes white, taupe, grey, and light-colored wooden furniture. However, it has more accessories such as a wreathed vase, nightstands, books on the nightstands, small lighting designs, a small lighting suspension.

Minimal Bedroom Inspirations Indeed, with a lot of natural light, this room inspires by the use of different materials and textures. For example, from the marble wall to the fur rug, everything is either white or soft Gray, with some dark grey on the bed structure. Therefore, there is a Creative Design on all the furniture in the room, from the straight lines to the lighting designs, everything as a geometric shape.

Marta Gord

Minimal Bedroom Inspirations Marta Gord

Marta Gord minimalistic room is a wonder, with an industrial look and rough surfaces. The main color is soft grey and the color on some designed decor is dark grey. Also, it has a lot of natural light, with every furniture of the room having a concrete look, that goes with the idea of an industrial minimalistic inspiration.

Minimal Bedroom Inspirations by Alena Taeva presents a different minimalistic room, inspired in a dark wood, black decor, or accessories, such as lighting and bedroom set. The room lines are straight with a lot of space, no clutter, and the decor is kept to a minimum.

Patrick Olive

Minimal Bedroom Inspirations by Patrick Olive

Perhaps, the most minimalistic room. This is a bedroom by Patrick Olive. With the only bed being a suspended bed, in the shape of a singular and thin rectangular surface, any other items consist of a suspended nightstand and some decorative vases the room.

Alexey Evgrafov

Minimal Bedroom Inspirations by Alexey Evgrafov

Alexey Evgrafov presents a bedroom with minimalistic inspirations, a bit different. The room's background is white, mostly. Therefore, the design consists of darker shades, white contrasts, and black lighting designs. Hence, the room has a beautiful natural light, although the shades of the whole design don't contribute to increasing the natural light, given the choice for some darker colors.
