SPLASH CATALOGUE

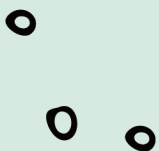

HI LUCKY FRIENDS!

Together with our friends SomeShine from Taiwan we have designed and developed 6 really cute bath toys and rechargeable night lights.

We hope you love them as much as we do!

Lots of love,  
the LUCKYBOYSUNDAY team

HEJ, MY NAME IS BONBON

I love to take a nap, sleep all night, close my eyes, holidays, candy and you ♥

I prefer to wake up at approximately 9 o'clock, when the breakfast is ready for me.

Thanks.

**BONBON NIGHT LIGHT**

HEJ, I'M BALTHAZAR.

I love the seaside. Especially the super windy west coast of Denmark. This is where my hat comes in handy and my ears never get cold. It's tricky to keep my moustache sharp like Poirot at all times though.
