

Ango, Creators of unique handcrafted lighting

ANGO is the unique architect lead handcrafted brand, where lighting designs are created, striking a balance between concept, form and the handmade techniques / materials being put into play. Different material compositions and local handmade techniques developed by Ango, specific to Thailand create originality and sophistication for light in fresh new forms.

Ango's signature pieces such as Triple Orbit, Double Orbit, Double Orbit (Floor), Cloud, and Garden Boy Bench will be unveiled at Maison & Objet Digital Fair, Sep 4-18, 2020, and at the same time we give a view into Ango Custom, our growing division specializing in creating individual lighting installations.

Garden Boy Bench is a development of Garden Boy Chair, Best Product Award for Maison et Objet, Paris in September 2007, to create a perfect bench for a couple. The bench is created as a kind of technology transfer, where we took as a starting point our random rattan weaving for lighting designs to create instead a light refracting silvery wave aesthetic from stainless steel strands. Garden Boy Bench is sustainable indoor and outdoor handcrafted furniture for the 21st century.
