

## ASTERIA MOVE™ AND UNIFIER™

### FOR MOMENTS ON THE MOVE

Introducing a new portable Asteria™ lamp and a wireless Qi charger for bright moments on the move. For a simpler and more flexible living without any unattractive cords.

### ASTERIA MOVE™

An UIMAGE classic with a twist. Asteria Move™ gives you the minimal and elegant Asteria design you already know and love, but in a small portable and cordless version, making it easy to move around, hence the name.

The lamp has a built-in custom LED light with a soft white diffuser that ensures a glare-free glow. Asteria Move™ has three light intensity levels that can be adjusted by pushing the button of the lamp base. The battery of the Asteria Move™ has a lifetime up to 35 hours, and it can easily be charged by placing it on top of any Qi charging unit, like the Unifier™ from the UIMAGE lighting accessory collection or with the included USB cable.

Asteria Move™ is an ideal lighting option for tables in cafés or restaurants but will by guarantee add elegance to every corner of the private home as well. The small size and portable design makes Asteria Move™ the perfect illumination for all places and occasions.

### UNIFIER™ WIRELESS Qi CHARGER

Practical, simple and elegant – the Unifier charging unit offers wireless Qi charging of everything from the Asteria Move™ lamp to your smartphone and all other Qi-supported technology. You simply charge your devices, without any cords, by placing it directly on the pad. The LED light on the Unifier™ lets you monitor the charging process.

The Unifier™ is available in white/rose gold or black, and it delivers a stable output, up to 10W.

UMAGE is a Danish word meaning ‘making an effort’, and that’s what we want to do every day. UIMAGE is where beautiful Danish design meets affordability, high-quality materials and a genuine care for the environment. Nature is the fundamental inspiration for all the designs at UIMAGE, and you’ll notice nature’s presence in the shapes, colours, materials and sometimes even in the functionality of the furniture and lighting.
