

ASTERIA™ MINI & MEDIUM

The Asteria™ pendant lamp has a tight and sleek appearance born at the crossroads of design, technology, and craftsmanship. It incorporates a built-in LED technology with a shape so minimal that it will never go out of style. The LED panel is dimmable with an external dimmer and has a white diffuser that will ensure a soft illumination in the surrounding space.

The Asteria™ pendant lamps come in 2 sizes and 11 colours with a brass detail, that can be changed for steel or black in minutes to ensure a flexible design that matches your personal style.
