

## CARMINA™

The Carmina™ is designed in reference to the soft waves of the slow moving dunes of the many beautiful shorelines surrounding Denmark. The Carmina™ introduces calm visual lines in an otherwise strict linear approach to the northern simplistic design history. Carmina™ is a flexible lampshade that can be used as either a floor-, table- or pendant lamp. The lampshade can be combined with a large variety of the UIMAGE lighting accessories: Champagne™ family, Willow™ family, Tripod™ family or as a pendant hanging from Rosette™, Cannonball™ or Cord Set™.

UMAGE is a Danish word meaning ‘making an effort’, and that’s what we want to do every day. UIMAGE is where beautiful Danish design meets affordability, high-quality materials and a genuine care for the environment. Nature is the fundamental inspiration for all the designs at UIMAGE, and you’ll notice nature’s presence

in the shapes, colours, materials and sometimes even in the functionality of the furniture and lighting.
