BAGS TO CLEAN THE
OCEANS

Our SEAQUAL collection of beach bags realized, with the recycling of plastics recovered from the seas and oceans around the planet .
CAPRI SEAQUAL. L -Junglebeige- seaqual model a good way to consume a responsible product and bring its small grains of sand to this fantastic cleaning missions. Fabrics of high quality, which are cheerful and perfect to go with you everywhere during your summer holidays, and throughout the year...
Let us be ethical and responsible in helping this initiative.
We have 2 sizes of bags. A medium for everyday and a larger for beach travel etc.
4 colors available
Minimum order for SEAQUAL bags is 6 units, you can choose 3 per color in same size.

SEAQUAL INITIATIVE is a community with a single voice against plastic pollution. We bring together individuals, organizations and companies, to help clean our oceans, raise awareness of the issue of marine plastic and highlight the heroes who are working to solve it.
These ocean clean-ups collect all types of waste; plastics, metals, glass, rubber, and mixed material items – everything from shoes to refrigerators!
Because mixed waste is expensive to recycle, in the past much of this waste was destined to landfill or incineration.
SEAQUAL INITIATIVE is dedicated to giving a second life to this material. At

A NEW, FULLY TRACEABLE RAW MATERIAL WITH THE POWER TO RAISE AWARENESS OF THE ISSUE OF MARINE LITTER AND HIGHLIGHT THOSE HELPING TO FIGHT IT

SEAQUAL INITIATIVE COLLABORATES WITH BRANDS AND MANUFACTURERS TO BRING PRODUCTS MADE WITH UPCYCLED MARINE PLASTIC TO MARKET
