## Eichholtz offers stunning Virtual 360° Tour

Eichholtz has found a creative solution for its customers worldwide, to compensate for the cancellation of all leading interior trade fairs. Without having to leave home, design lovers can indulge in a virtual 360° experience. Covering almost 5,000 m<sup>2</sup>, our state-of-the-art showroom has more than 400 new items for this season on display in addition to our existing collection.

Our **VIRTUAL 360° TOUR** translates the physical Eichholtz experience into an exciting online experience.

*“The Virtual 360° Tour takes you on a journey through 5,000 m<sup>2</sup> of the most fabulous interior design. We introduce you digitally to the world of Eichholtz including our latest arrivals. This experience means we can reach design lovers worldwide at any time – whenever suits them,”* says Robin Goemans, CCO of Eichholtz.

Our 5,000m<sup>2</sup> Grand Showroom has been extended with an additional space to showcase our latest collection of more than 400 brand new items.

Enjoy a virtual walk through more than 45 rooms, all decorated in different styles. In each room you can find all relevant product information and place your order right away. If desired, you can also take a private guided 360° tour by one of our Sales Representatives.

*“This online tool allows us to inspire and inform our customers,”* says Goemans. *“It’s a real bonus for design lovers, an incredible way of bringing the entire Eichholtz collection to the attention of end-users.”*

The Eichholtz Virtual 360° Tour is exclusively available for registered Eichholtz customers right now at [www.eichholtz.com](http://www.eichholtz.com)
