# BE ONE OF THE "HAPPY FEW" TO EXPERIENCE THIS MID-CENTURY PIECES

Essential Home is going to present a brand-new collection with Studiopepe, one Italy's most famous design studios, that redefines the design standards of the mid-century world with its unique ideas. After the great success in the launching of the Carlo Donati collection for Essential Home the brand's unique novelties of the year don't stop here... Symbol of the luxury design and fine craftsmanship techniques, "Happy Few" is ready to elevate your design project with a revolutionary mid-century modern twist.

“We noticed there are a lot of affinities with Italy here in Portugal, and that’s is very interesting, the passion for Wood’s Craftsmanship, the etching and other materials as the glass, the ceramic and so on.”

- Arianna and Chiara

The Italian designers share a deep passion for Italian architecture, design, and high-craftsmanship culture, and during their creative journey to Portugal, Chiara and Arianna discover something unique. They saw and found in Porto’s downtown area, with all of its iconic buildings, architecture landmarks, unique art and design galleries, such as Serralves, and exquisite high craftsmanship culture, a brand-new scene of inspiration that make them feel like home.

Inspired by the unique colors and magnificent art landmarks in both countries, Studiopepe decided to create a unique mid-century furniture collection that combined the best of both worlds. Challenging the limits of the furniture manufacture standards, this unique mid-century modern selection of products teaches you how to play with the geometrical concept of design comfortably while keeping the luxury mid-century modern feel to it.

“It has been really interesting observing the employers at the factory, and their passion for Craftsmanship. We have been influenced by their passion, because now we’ll put them to the test”

- Arianna and Chiara

Each piece is a statement on its own and was named after some of the most iconic literature personalities from the 40s to the 70s, such as F. Scott Fitzgerald, Ezra Pound, Zelda Fitzgerald, and David Duncan. This is the perfect selection of products to elevate your home design from average to exquisite in no time.
