

RADAR

PARIS / MILANO

We are pleased to announce that **RADAR will take part to Lausanne Design Days from 5th to 15th November 2020.**

On the occasion of the event – now in its 12th edition – the design stores, workshops and some locations opened to the public for the occasion in the city and its immediate surroundings will host installations by international companies and high-level artisan productions, transforming the streets and squares of Lausanne into a large workshop and animating them with special initiatives.

For this year, the event includes a tour through the city, discovering more than 20 exceptional locations.

The Italian-French brand will be **inside the Signature suite signed by the famous**

interior decorator Emmanuelle Diebold at the Lausanne Palace, an historic hotel opened in 1915, a symbol of the Belle Epoque and always symbol of an high-end hospitality in the name of relaxation. The furniture of the room will be embellished with Solco lamps in Carrara marble and Cometa, together with an hand-made tray of the Mirage line.

Again, we point out that an interesting selection of RADAR products will be displayed at the **KéTaLa BouTiQue showroom**. Among the products on display: the handmade glass lamps Cyclope floor lamps, table lamps and Zenith wall lamps, the new Lafayette in brass and some elements of the Haussmann collection in reinforced Paris plaster. Pieces that bear witness to the company's ability to work with different materials, creating refined lamps with a strong scenic effect.

The appointment is for November 5th at Lausanne Design Days; please follow us on social profiles, to discover the intallations' images and a nice surprise!
