NEW SUSPENSION LAMP WITH A STRONG PRESENCE

# TRIBUTE TO THE ICONIC ART BLAKEY

DelightFULL's New Lighting Design Is Here To Brighten Your World With Style

Featuring character built from its inspiration and great design ideas, the new Blakey Suspension by DelightFULL is a bespoke lighting design to give any design project a massive mid-century modern twist. Just like the rest of the brand's unique collection, this incredible new piece has the mission to take you back in time to the magical era of the 40s and 90s where the iconic Art Blakey showed to the world his talent, by bringing to a fresh classic approach to your design project.

Who is the famous music icon behind the inspiration of this new piece? Arthur (Art) Blakey, also known as Abdullah Ibn Buhaina, was a talented American drummer and band leader that introduced the bebop style on drums. Known for his bold and energetic music, Blakey is now considered one of the most iconic musicians from the last century and this unique suspension Lamp by DelightFULL truly captures his electric personality. Blakey is a unique mid-century modern suspension lamp, which mirrors the era and modern art where Art Blakey has impressed the world with his talent. This unique piece combines its strong presence with the simplicity of shapes in order to highlight any space from any style. Adjusted to our daily routine, Blakey is presented in its standard version with a trendy matte black structure, that is enhanced with some beautiful and luxurious golden details, a customized option that gives the opportunity to add greater elegance to the design idea.

Besides being beautiful and modern, DelightFULL's new lighting design is also quite versatile, giving any interior designer or home owner endless possibilities of customization for the ultimate interior design. Handcrafted with the best fine craftsmanship skills that show the best of the Portuguese culture, this inspiring suspension light can easily be the statement piece of a luxury hotel's lobby or the focal point in a big dining room project.

Blakey is a hanging lamp, which mirrors the era and modern art. It has a symbiosis between a strong presence to highlight a space, and the simplicity of the shapes, and their proportions adjusted to the reality of our day. It is presented in its standard version with a matte black structure, with shades and the central sphere highlighted in gold, an option given to give greater elegance.
