Botti Diamond with the original lines from the best seller Botti Chandelier

Mid-century modern lighting design is iconic, and luckily for design aficionados, it shows no signs of fading, that is why DeligthFULL has decided to reinvent one of the brand's biggest classics of all times. Meet Botti Diamond, a unique suspension piece that is shaped like one of the world's most precious stones.

There is no doubt that the Botti family has revolutionized DelightFULL's world with its strong sense of character and incredible design... That is why the star of the family, also known as Botti chandelier, as to become one of the brand's most famous bestsellers. The sleek and modern lines of this unique family instantly take us into a music concert starring Chris Botti's smooth jazz vibes making this selection of lighting products a tribute to the golden years of the music industry.

The new Botti Diamond has the original lines of this iconic chandelier and (at the same time) brings a fresh modern twist that will suit any type of design project. This unique golden chandelier is a living proof that the inspiration world is unlimited and that the "old" ideas can be the starting point to a **trendy new product** that showcases the future of design.

When creating the unique Botti Diamond suspension lamp, DelightFULL's designers took the iconic structure handmade in brass, boosted with a sophisticated gold-plated finish, and elevated it with small series of aluminum spheres creating the unique modern diamond shape, just like it was a precious stone. Following the same steps that the brand's best seller, this modern lighting fixture showcases the **high-quality craftsmanship** culture that is rooted in the brand's values.

Chris Botti was considered to be one of the most versatile musicians in both the jazz and pop industries, due to his ability to blend the two styles perfectly. Just like its inspiration, the new Botti Diamond takes that versatility and brings it into the world of luxury lighting in two ways: customization and easy adjustment to different project types. Thanks to the brand's **strong customization skills** with endless possibilities of choices, the beautiful Botti Diamond can match the vision of any interior designer, architect, or (even) homeowner to create the perfect project.

Handcrafted with the best fine craftsmanship skills that show the best of the Portuguese culture, this inspiring suspension light can easily be the statement piece of any type of project, where it is residential, commercial, or even a luxury hotel.

Here is a luxury living room project where the new Botti Diamond takes the lead as the main character of the show. The unique shape of this modern suspension lighting truly complements the art deco furniture design inside the room, **giving the project a fun yet elegant mid-century twist.** As for its luxurious golden look, it is the perfect finish to go with the smooth velvet textures and raw natural materials that are highlighted in the rest of the elements in the interior design.

All in all, thanks to its retro vibe and strong roots in the brand's industry, the Botti Diamond will be the **ideal choice for a luxury living room**, a mid-century modern bedroom, or even a modern hospitality project. Versatile, luxurious, and fun, this modern piece shows the next era of the popular mid-century design trend.
