

## AUTHENTAGE INVITES YOU TO AN EXCLUSIVE WEBINAR

Some time ago, it became clear that Maison et Objet will not be able to take place in Paris this month. Ever since the online September edition of the interior fair, we have been working hard at Authentage to find an alternative for our clients.

Now we are pleased to present our exclusive webinar, in which we introduce you to the highlights of our collections and propose an interesting tool to choose the ideal spotlights.

We will be organizing a French and an English webinar, both will last approximately one and a half hour.

**The English edition will be held on the 28th of January at 10 am.** [Register here](#) for the English edition.

**The French edition will take place on the 2nd of February at 10 am.** [Register here](#) for the French edition.

When you have signed up, we will make sure to provide you with all the necessary information prior to the webinar date.

We're looking forward to see you at one of our webinars!
