New Year. New Season. New Arrivals.

As we move into the new season we're delighted to share our new Spring lookbook with you. Showcasing a selection of our core and seasonal favourites, our full collection of over 1,500 products is available online to browse and shop.

This season, as the houseplant trend continues, we've expanded our pots and vases collection to now feature over 100 stunning designs, see page 12 for some easy pick-up inspiration. We've also expanded our bestselling laundry and kitchen collections, featuring in-demand stackable storage, new materials and expanding on our customer favourites to deliver our most versatile range yet.

Moving outdoors as the weather warms up, our garden collection continues to deliver high-quality alongside function and style, with new storage, accessories and furniture with a particular focus this season on providing a sharper look.

With stock arriving regularly throughout the year, our website will always give you the most up to date stock information and is the fastest way to place your order. Please contact your account manager for login details.

Best wishes,

The Garden Trading Team

Indoor Dining

This Spring, we've expanded our bestselling dinnerware collection. Organic white ceramics with soft shapes and curves sit beautifully alongside the natural woods of the Midford collection accessorised with recycled hand-blown glass with its characteristic green tint. Mix and match across the range and style with natural linens for a classic pared back and simple look. With small pack sizes and RRP's starting from £10, it's easy to buy into this popular collection for the first time.
