

# MATHY BYBOLS

THE BELGIAN CREATIVE FACTORY

Our **evolving Asymetry collection**, designed by Manon Alves,  
won the **Archiproduct Design Awards 2020**  
in the **furniture** category.

We believe a lot in this collection which combines **active pedagogy and scalability**,  
thank you to the juries for highlighting our **work** and the **concepts engaged**.

Best regards,  
**The MbB team**
