

JAZZ™

Crafted from an exclusive 3D veneer technology, Jazz™ is inspired by the flowing lines found in a flourishing frangipani flower and a classical gramophone horn, hence the name.

Jazz™ is a flexible lampshade that can be used as either a floor-, table- or pendant lamp. The lampshade can be combined with a large variety of the UIMAGE lighting accessories: Champagne™ family, Willow™ family, Tripod™ family or as a pendant hanging from Rosette™, Cannonball™ or Cord Set™.

TIP: Use the amber lightbulb, Idea LED 2W, to get a soft and cosy ambiance.

UMAGE is a Danish word meaning ‘making an effort’, and that’s what we want to do every day. UIMAGE is where beautiful Danish design meets affordability, high-quality materials and a genuine

care for the environment. Nature is the fundamental inspiration for all the designs at UIMAGE, and you’ll notice nature’s presence in the shapes, colours, materials and sometimes even in the functionality of the furniture and lighting.
